Detroit Serbs Pledge Loyalty.

DETROIT, Mich., July 28.-European war enthusiasm found an echo in Detroit last night, when more than 5,000 Servians gathered in an open-air meeting, sang patriotic songs, cheered the speeches made by their leaders and swore loyalty

made by their leaders and swore loyalty to their fatherland.

Five hundred Serbs trained in warfare declared their intention to return at once to their native land to fight against Austria should hostilities begin, and it was said 2,500 more would leave within a month. More than \$500 was collected to be sent to Servia to swell the war fund.

Urged to Raise Funds.

SAN FRANCISCO, July 28.-Represe tatives of Servia and Croatian societies in the bay district will meet here this week in response to a telegram yesterday from M. I. Pupin of New York, Servian consul general, asking for funds to aid Servia in the threatened war with Pupin's message was as fol-

ows:
"It seems as if war is inevitable. Organize a committee for a collection funds. Act energetically."

Austria to Grant Amnesty.

ST. PAUL, July 28.-Full amnesty for all military offenses committed in their own country will be granted to all Austrian and Hungarian residents in foreign countries if they will return to their native land and report to the military authorities, according to Edgar Prochnik, Austro-Hungarian consul here.

A royal proclamation to that effect will be made public by Mr. Prochnik, se said. He added that such of the military offenders who return to Aueria-Hungary as are found physically it, will be drafted into the army. Cleveland Huns Ready to Fight.

TORRENT OF U. S. GOLD

Official Declaration by Austria Shipments Since War Scare Have Causes Wild Scenes in Chicago Pit.

ON STRENGTH OF WAR

cHICAGO, July 28.—Immense expansion of the trade in wheat followed announcement today that war on Servia had been officially declared by Austria. Within a few minutes the market touched a point about 3 cents a bushel higher

Wild fluctuations ensued. The rise in

Wild fluctuations ensued. The rise in the market was soon more than doubled, the September delivery jumping up to \$15%, or above, \$15% above the minimum value near the opening.

Prices in different parts of the pit at the same moment showed wide variations, and at times it was practically impossible to execute orders except where extraordinary margin was allowed.

Reacts on Profit Taking.

Profit-taking on a huge scale by fortunate holders led to a sudden reaction in the main, however, bullish excitehour before the market became ever half way steady. The range then aver half way steady. The range then averaged 4c to 4½c a bushel higher than last night. Reports that the Servian parliament had conceded all the Gemands of Austria had some effect in preventing top prices from being fully maintained. Neither provisions nor cereals, other than wheat, made any remarkable advances, although the feeling regarding all staples was strong.

TROOPS PLACED ON FRONTIER. German and Russian Forces Moved According to Dispatch.

BERLIN, July 38.-An unconfirmed dis patch from Gumbinnen, eastern Prussia, to the Taegliche Rundschau teday, says Russia has occupied Wirballen, Russian Poland, with a force of engineers, cavalry, artillery and two regiments of in fantry, while Russian guards have been placed along all roads on the frontier The dispatch adds that a squadron o German Uhlans has advanced to Eydtkuhnen, on the Russian frontier.

Heavy Demands Abroad for Gold an Adverse Influence in American Financial Circles.

NEW YORK, July 28.-News of the acout with feverish activity. The troops have been concentrated in fortified positions, the headquarters of the army being established at Kraguyevatz, but in the event of necessity they will be transferred to Krushevatz, ninety miles southeast of Balarage. rominent stocks were offered at increas ing recessions. Large blocks of stocks were thrown over in urgent haste, pre sumably for foreign holders.

Reflecting foreign conditions, the stock today's' early dealings. Shares of the nternational group were off 1 to 2 points n few instances, however, yielding to

warburg would be confirmed if he would only consent to appear before the committee.

A. Barton Hepburn, chairman of the board of the Chase National Bank of New York, was being considered today for a place on the federal reserve board should Mr. Warburg finally decline to appear before the committee.

The movement followed cables from Paris and other foreign centers to the effect that Austria intended to occupy Servia's capital today.

As a result of the gold drain, which is now in excess of \$100,000,000 thus far this year, there was another sharp advance in exchange. Rates as quoted were little more than nominal, however, many bankers declining to buy or sell.

It was reported that local banks were calling loans in anticipation of appreciably higher rates for call and time money in the near future.

Decourse Total and time money in the mear future.

Warburg would be confirmed if he would only consent to appear before the committee.

A. Barton Hepburn, chairman of the board of the Chase National Bank of New York, was being considered today for appear before the committee.

President Wilson has definitely decided to appoint a man from the Chicago district to the Jones vacancy. Senator Lewis of Illinois has decided to accommend William George of Aurora in case the President wants a republicant of the gold of the International in which Mr. Jones is a director.

London Opening Calmer.

LONDON, July 28.-A feeling of unce tainty prevailed at the opening of the stock exchange here today, but conditions were not so panicky as they were yesterday. British consols opened at

tinental and settlement liquidation. They went to 4½ below parity, being quoted at 176, but before noon had re-

of gold bars at the assay office, and as a result some of the gold ordered today was in United States coin, of which the government has on hand at this time an amount exceeding \$340,000,000 at its various mints and subtreasuries.

Enormous Shipments.

Shipments for the calendar year are now in excess of \$100,000,000. This, it is believed, is a new high mark for that period. There have been three distinct movements of gold from this port to Dealings on the foreign market were still a matter of negotiation, the toone being steadier. Discount houses continued to quote 4 per cent for short and three months' bills, yesterday's gold shipments from New York having had practically no effect.

The demoralization on the Paris and the Berlin stock exchanges was reflected by erratic movements on the market here. Rio Tintos fell 3 points to 58, but then recovered a point. Amal-barries were easier, but there were practically no buyers in any market. One small miscellaneous jobber was hammered.

Bankers to Meet Daily.

BERLIN, July 28.-The stock market BERLIN, July 28.—The stock market here opened generally weak today, particularly in the case of Austrian special-ties. Russian 4 per cents on the other hand were quoted ½ higher. The changes generally were small, the attitude of the Berlin bankers having reassured their customers and checked the tendency of investors to sacrifice their securities at any price. The bankers' association held another session today and decided to meet regularly during the crisis. They resolved to support home securities by week ago.

customers and checked the tendency of investors to sacrifice their securities at any price. The bankers' association held another session today and decided to meet regularly during the crisis. They resolved to support home securities by heavy purchases if necessary.

The decline of prices on the Berlin Stock Exchange continued as those firms which were unable to secure the necessary funds to carry over their engagements were forced to unload. German government bonds registered a further fall.

Three per cents started 4-10 lower at 73%. Vienna, where the bourse was closed, was said to be unloading on Berlin, and this contributed to increase the highly nervous state of the market. At the close prices had risen and the tone was firm.

Paris Bourse Is Dull.

PARIS, July 28.-Transactions on the bourse today were limited and the quo-tations generally were about the same as yesterday's, but the tendency was courthouse in Rosslyn today. The downward. French 3 per cent rentes ounty appropriated \$30,000 for the road were quoted at 78. Prices at the close

were quoted at 78. Prices at the close of the bourse were lower.

Exchange on London and private discounts were not quoted. The suspension of all trading in futures was decided on at a general meeting today of the commercial exchange dealing in grains, sugar and all commodities in bulk. This decision will remain in forcu until an improvement occurs in the international situation.

fixing of rates.

"No railroad today can make a rate for itself, except on business local to the road itself," said Mr. Harrison, explaining the reason for holding such meetings. "On through rates, going over more than one line, the charges must be adjusted."

Mr. Douglas read from the minutes of a meeting of representatives of various roads, one of which was the Southern, which Mr. Harrison is said to have attended in 1909 in New York, while he was a vice president of the Southern.

the purpose of fixing rates."

on she was ten miles west of the Lizard, and then Col. Neill decided to a fraction of 1 per cent-that nearly all Lizard, and then Col. Neill decided to take her in tow, as a dead calm had fallen and the tide was setting her back. The same evening the challenger picked up a breeze and the line was slipped.

The blow soon increased to a hard north-northwesterly wind, which churned up a heavy sea in which the Shamrock made a fine picture as she rose easily to each wave. On that day she averaged ten knots an hour for the twenty-four hours. up a breeze and the line was slipped. The blow sooh increased to a hard northnorthwesterly wind, which churned up a
heavy sea in which the Shamrock made a
fine picture as she rose easily to each
wave. On that day she averaged ten
knots an hour for the twenty-four hours.
On the following day conditions were
similar, but the weather was finer, and
for the rest of the voyage the wind gradually slackened down until at times there
was a dead calm. Then Col. Neill would
again take the challenger in tow until
the breeze strengthened sufficiently for
her to run under her own sail.
The best days' runs were 240, 222, 159,
142 and 162 knots.

some time ago began to press for the "We were in financial trouble and we were never convinced that the traffic would justify the facilities to provide for

Will Cost Millions, He Says. "It is only when it can be shown that coal along the other roads that it will pay us to improve the road to Charleston," said President Harrison. gineers have estimated it will cost \$11,-200,000 to put the road in shape to Charleston and to build a suitable ter-

minal there."
"Mr. Thom told us you were going to build a terminal at Charleston," broke in Senator Tillman. "Are you?"

ator Tillman. Promises One Unit.

"A unit is enough to take care of one ship, and enough to test the practicabil-Mr. Harrison added that he had done everything in his power to procure a joint terminal in Charleston, but that shippers along the Southern had protested that they would not ship over a terminal that was jointly controlled by the Clinchfield railroad because of its interact in seal leads
